

Accounting (ACC)

- **Major: 69 credit hours**
- **Minor: 21 credit hours**
- **Major/Minor GPA required for graduation: 2.25**

PROGRAM REQUIREMENTS:

- **Capstone: Business Strategy and Policy (BUS 450)**
- **Research: Research in Accounting Theory (ACC 431)**

Description of Major: The accountant's role in business decision making has expanded, making accounting one of the fastest-growing fields in education and business. Career opportunities include employment in corporations as financial or managerial accountants, with opportunities for promotion into executive roles. Careers in taxation, audit, or governmental accounting provide employment opportunities for graduates of the program.

Student Learning Outcomes

Students will:

- Apply critical thought regarding the environment of business.
- Demonstrate an understanding of the major concepts in the functional areas of business.
- Make decisions about the presentation of financial data.
- Analyze managerial and cost data.
- Demonstrate an understanding of the audit function.
- Assess the reliability of data.

Preparation: The accounting program at McKendree University is designed to prepare the student for a professional career in corporate, public, or non-profit accounting. Upon graduation, the student will have the skills needed to pursue a higher degree or seek employment in one of many opportunities open in the field. For students who plan to sit for the Uniform CPA Examination, additional hours beyond McKendree University's graduation requirements may be earned by taking additional courses (as specified by each state) to reach the 150-hour requirement to sit for the exam. In Illinois, the additional hours may be at the undergraduate or graduate level.
