Note: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is attempted to be kept current; however, any curriculum changes reflected in the Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

**KC Students must take at least one math course (130 or any other AA approved math course); one physical science course and one life science course; and one of these must include a lab; at least two additional social and behavioral science courses; and at least three health and personal development courses. Please see the degree sheet for specific courses.

***KC recommended courses for a communication degree can include: LITO 103, DRMA 220, PHLE 121, HIST 147

McKendree University Instructional Delivery – Face to Face

McKendree University Residency – Students must complete a minimum of 30 credit hours with McKendree University.

Transfer Credits – McKendree University will accept a maximum of 90 hours in transfer credits. Only courses with a grade of C or better will be transferred.

Degree Requirements – Students must complete a minimum of 120 credit hours to receive a bachelor's degree from McKendree University. Some programs require additional hours. Elective hours required at McKendree University may vary depending on total hours accepted in transfer.
