***General Education Requirements – Some courses fulfill general education as well as major requirements. See catalog for accepted courses for general education.**

The Art Department recommends taking at most two studio art courses within a semester. 300 level studio art courses have corresponding 200 level prerequisites.

If students choose to double major and/or minor, the following catalog rule applies: any course applied toward the completion of one major or minor may not also be applied toward the fulfillment of elective requirements in another major or minor.
