If a student chooses to take an internship, it needs to be done in the Senior year.

\*\*\* Although an internship is not required, it is strongly recommended.

**General Education Requirements**

\*Some courses fulfill general education as well as major requirements. See catalog for accepted courses for general education

\*\* General Education courses can be taken in any sequence, these are just recommendations for the general education sequence

If students choose to double major and/or minor, the following catalog rule applies: any course applied toward the completion of one major or minor may not also be applied toward the fulfillment of elective requirements in another major or minor.
