***General Education Requirements – Some courses fulfill general education as well as major requirements. See catalog for accepted courses for general education. For example, BUS 324 is a required course for a Business degree; therefore, Business students can take BUS 324 for the General Education Ethics requirement as well.**

****The School of Business strongly suggests that Business students take MGT/MKT 340 to satisfy the General Education Cross Cultural Studies requirement.**

*****These Business Core courses are prerequisites for ENT 301: MGT 204, MKT 205, and ACC 205.**

If students choose to double major and/or minor, the following catalog rule applies: any course applied toward the completion of one major or minor may not also be applied toward the fulfillment of elective requirements in another major or minor.
