***General Education Requirements – Some courses fulfill general education as well as major requirements. See catalog for accepted courses for general education**

****It is strongly suggested that BUS 324 be used for the General Education Ethics requirement since it is required for the major, and that MGT/MKT 340 be taken to satisfy the General Education Cross Cultural Studies requirement.**

If students choose to double major and/or minor, the following catalog rule applies: any course applied toward the completion of one major or minor may not also be applied toward the fulfillment of elective requirements in another major or minor.
