^{*}General Education Requirements – Some courses fulfill general education as well as major requirements. See catalog for accepted courses for general education

If students choose to double major and/or minor, the following catalog rule applies: any course applied toward the completion of one major or minor may not also be applied toward the fulfillment of elective requirements in another major or minor.

^{*}For the Inequalities course, choose one of SOC 340/350/360. SOC 350 is offered every fall. SOC 340/360 are offered every spring. It is suggested that you take more than one inequality course, but any one completes the requirement.
