*General Education Requirements – Some courses fulfill general education as well as major requirements. See catalog for accepted courses for general education

It is strongly suggested that MKT/MGT 424 should be taken for the General Education Ethics requirement and as a Writing Intensive course. MGT/MKT 340 may be taken to satisfy the General Education Cross Cultural Studies requirement.

If students choose to double major and/or minor, the following catalog rule applies: any course applied toward the completion of one major or minor may not also be applied toward the fulfillment of elective requirements in another major or minor.
