TERMS

1. Payment of tuition and other fees becomes your obligation as soon as you are registered in classes. This obligation remains until the debt is paid in full or until you officially withdraw from the University within the refund period. Neither non-payment of tuition and fees nor non-attendance of classes constitutes official withdrawal from McKendree University. Withdrawal from McKendree University can only be accomplished by filing a "Complete Drop/Withdrawal for Semester" form in the Registrar's Office.
2. If the VA does not pay your balance, then you are responsible for the balance.
3. Tuition is deferred for 6 weeks after the end of the term. If a monthly statement is not received, students should view their balance and financial aid information online at www.mckendree.edu and click "CURRENT STUDENTS" to view the "WebAdvisor" link. If a monthly statement is not paid in full by the due date, it will be assessed a payment penalty fee and be placed on hold. The hold will prevent future registration and transcript release.
4. In your final term of classes, you must clear any outstanding balance prior to graduation.
5. If you leave McKendree University with an unpaid balance, you will also be responsible for any legal fees, collection costs, and interest not to exceed 1.5% per month (18% per year).
6. You are encouraged to consult the current Course Schedule booklet for tuition rates, fees, and deadlines.
